

## German - LOTE

Students in Year 5, 6 and 7 have had the opportunity to learn to speak German for many years at Camp Hill State Infants and Primary School.

Students are fortunate enough to learn this language and aspects of German culture from a native German speaker.

The highlight of the German program is the biennial Oktoberfest. This event allows the students and their families to participate in traditional German activities, sample delicious German food and dance to the music played by a German band.

Find out more&hellip;

- Students can continue their German studies at feeder high schools
- IT link - &lsquo;Language Market&rsquo; computer program is installed in the Computer Lab. This allows students to work with their L.O.T.E. teacher in another stimulating environment as well as giving students an opportunity to work at their own pace.
- Guest performers are invited to demonstrate traditional German culture biennially.
