

Grand Parents Day

Each year we invite our students to ask a grandparent or special friend, (Aunt, Uncle, neighbour..), to join them in their classrooms.

This annual event is held in conjunction with a Book Fair in the Infants campus Library.

Adults are invited to come along and browse the displays created by the children, buy a book to take home or become a "Living Treasure" by donating a book to our school library.

Afterwards the P & C host a morning tea to provide refreshments. This is a wonderful opportunity for family members to see the interesting and innovative learning activities that happen in our classrooms.
