

Student Representative Council

The Student Representative Council gives the student body 'voice' and agency through its regular meetings.

Each fortnight the Principal meets with the Student Representative Council President, Vice President and councillors.

The councillors are our School Captains and Vice Captains along with eight elected Year 7 students.

Each class in the school is represented by these councillors, who meet with them regularly, to discuss then present any issues or concerns to the S.R.C.

The S.R.C. also selects a charity to support through fundraising activities.
