

Infant Campus

Our Infant Campus has its own Library which caters for students from Prep to Year 2.

This collection, of over 10,000 items, has an early childhood focus and also contains an extensive teacher reference section and a parent library.

All students visit the library once per week for lessons with a teacher-librarian. Prep, Year 1 & Year 2 students can borrow one book per week. They require a library bag which can be purchased from the school office.

The library is also open before school each morning so families may visit to borrow or return books.

Each year our Library holds two book fairs. The first book fair in March coincides with our Grandparents & Special friends day.

The second book fair is held to celebrate Children's Book Week in August.
