

Tuckshop

Our tuckshop offers a wide range of healthy foods three days a week at the Primary Campus.

Volunteers are essential to the efficient running of our tuckshop on Wednesday to Friday.

The enticing tuckshop menu follows the Queensland Government's 'Smart Choices' policy.

Students pre-order before school at the tuckshop or place their order in the tuckshop box in the classroom.

Orders are collected from the tuckshop before each break and distributed by the class teacher.
