

Out of School Care

Camp Hill OSHC has two programs, one at the infant campus and one at the primary campus. The infant campus program caters for children in Prep to Year 2. The primary campus program caters for all year levels.

We are proud of our Service Goals that provide all children with a safe, secure, inclusive and nurturing environment. We believe it is important to promote the value of play and recreational activities that meet the developmental needs and interests of all children. We encourage children to be responsible and show respect to others and their property. Every day we help children enhance their life skills through appropriate programming and stimulating activities. We feel it is also important to utilise and encourage the use of special skills, expertise and diversity of our families, community and staff members.
