Together We Achieve

20th April 2021

Dear Parents/Guardians,

We are delighted to inform you that Camp Hill State Infants and Primary School will be participating in the world-renowned ICAS Assessments™ this year.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, and Science.

Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student will receive a printed certificate and an online results report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment, that has been running for 40 years. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to online assessments. This allows greater accessibility for students and faster delivery of results.

In 2021 the Parent Payment System (PPS) is the only option available as the school will not be taking payment or ordering for students.

In 2021 students have the opportunity to participate in the following subjects:

Subject	Sitting date
ICAS English	Monday 16 August to Friday 20 August 2021
ICAS Science	Monday 23 August to Friday 27 August 2021
ICAS Mathematics	Monday 30 August to Thursday 2 September 2021

Cost per test: $17.05 including GST

These assessments will take place during school time.
