### Junior Campus- Before School Activities-Trial Program for Years 1 and 2

Dear Parents and Carers

The school is currently trialling a Before School program on the Junior Campus to include options for both quiet activities and supervised active play, as well as, offer some consistency with current Senior Campus procedures. This trial will be reviewed in Week 8 of Term 4 (see below):

- Students are encouraged **not** to arrive at school before 8.30am. Any student who arrives at school earlier than 8:30am must be accompanied and supervised by an adult
- Two distinct areas have been identified for active and quiet activities
- The seating areas under the Years 1 and 2 blocks are for quiet activities only e.g. talking/reading etc.
- From 8.30am until the commencement of the school day, at 8.50am, two members of Camp Hill Staff will provide supervision to students on the bitumen and rubber matting areas (active areas)
- Students will be encouraged to engage in active play. Equipment provided by the school will include hoops, skipping ropes and handballs. The numbers of students could impact upon play options.
- Due to space constraints some games (such as tiggy/chasing) and larger play items (such as footballs) are not to be undertaken/used during this time
- Playground equipment is NOT to be accessed prior to school hours
- The school *Sun Smart* policy of *No Hat No Play* will apply at this time (including under the shade cloth areas)
- At the commencement of the school day Year 1 students will wait at the bottom of the stairs until a teacher comes to collect them. Year 2 students will go directly to their classroom
- Students are required to follow the directions of the supervising staff at all times
- All non-Camp Hill students remain under the direct supervision of their parent/carer at all times
